TITLE 1 TIDBIT

Improve your child's reading skills just by reading yourself! A parent's example always teaches a powerful lesson. Your reading habits will make a strong impression on your student. You can: Show your child how you read for information or for a particular purpose, then share something you are reading. Your child will see that reading is something fun to share.

BOOKFAIR IS COMING! **OCTOBER 16-20, 2017**

Look for more information to come home. All parent/grandparent volunteers will receive a free book from the fair (up to an \$8.00 value).
