17-18 Lunch Times Information

Parents, we have seen an increase of parents coming to eat lunch with their student(s). In order to keep all of our students safe and in compliance with CUSD guidelines, the following applies:

- All Visitors to Campus must sign in at the Administration Office
- Parents may only bring lunch and eat with their own student(s) (not other students)
- If at anytime procedure is not followed, it can result in limited visitation

When students are at school it is of the utmost importance to keep them safe and following school guidelines. Thank you
