Principal's Report

Mr. Lozano was happy to report that construction is 99.9% done, just fine tuning. Kindergarten and transitional kindergarten are both full day and the kids are doing great. There are new touch screen computers in the library for the students to use. He is also in the process of ordering new Chrome Books for the fourth and fifth graders.

Old Business

- A) The family night out at Chipotle in May was great. We raised over \$1000.00.
- B) Muffins with Mom in May was also a great success. The turnout was amazing. We were also thankful that Larson Bros was there providing a free photo to all the families.

New Business

- A) A membership form for PTC was given out and asked to be completed and turned in. The cost for the membership is free for those that would just like to participate and \$5.00 for those that would like to participate and have voting rights.
- B) PTC has paid for the marquee sign to be painted and the words "Donated by Weldon PTC" affixed. The painting is completed and the words should be done soon.
- C) The school is now in charge of all spirit wear. It can be purchased online the link is on the Weldon website.
- D) The parking lots have been a concern. PTC has purchased two signs that say "No Parking" and the school has purchased a new chain. Everything seems to be working well. Volunteers are always appreciated to help keep our students safe.
