### TITLE 1 TIDBIT

Our first extended break is coming up in December. While it is important for students to have down time to play and enjoy family, maintaining their schedule is also crucial. When students are off their schedule for more than a few days it becomes very difficult to get them back on track. We appreciate you doing your best to keep your children on their regular sleep schedule. It will make coming back to school much easier!

### PARENT INFORMATION

Digital Citizenship has come to Weldon. All students in grades 2-6 have gone through the District Technology User Policy/Use of Technology agreement and Common Sense Media Education lessons. Each grade level was instructed in specific topics. These topics included Staying Safe online, Private and Personal information, Power of Words, and Cyberbullying. The link to Common Sense is <https://www.common sense media.org>. It's also linked on our school web page <http://weldon.cusd.com/>

Common Sense Media helps families make smart media choices. Ask your child what they learned about Digital Citizenship.

### **From Parent Teacher Club...**

**Santa's Secret Shop will take place in the LMC on Monday, Dec. 4th through Friday, Dec. 8.**

**PTC is looking for Parent Volunteers to help students shop and to wrap up their purchases. In order to volunteer, all volunteers must have an approved volunteer form on file in the Weldon office. Be on the lookout for the Volunteer Form from the Weldon PTC.**

**Spring Sports through Clovis Recreation !!  
Check out our website [www.clovisrec.com](http://www.clovisrec.com)  
Register and Pay online !!!**
