- I. Clovis Assessment System for Sustained Improvement “CLASSI”: Setting high standards and district goals that provide the foundation of accountability for students, teachers, and administration in Clovis Unified.
- II. Weldon Site Goals
 - Acceptance and Understanding of ALL: Create a climate that promotes acceptance, understanding and interaction, of ALL students and staff.
 - Multicultural Education: Integrate multicultural education into the classroom curriculum and instruction.
 - There are three components that need to be addressed during our IDAC visits (CLASSI III). This is a time for our site to show the visitors what we have been doing with our students.
- III. Cultural Proficiency: We have an assembly coming up that will be a celebration of Hispanic Heritage Month that has been made possible through IDAC. The goal of this assembly and presentation by Soy Asombroso will be to uplift students. This will be a dress up day that will allow students to choose freely to dress up in Latin theme.
 - a. Multicultural Fair will be during Open House. We need to reach out to parents to make connections to make this fair possible.
 - b. A survey to be pushed out to ask teachers what they are doing to celebrate different cultures.
 - c. Have teachers identify a family that will be a good IDAC representative.
