

Hello Weldon Families,

As you may be aware, CUSD is preparing for the return of in-person (hybrid) instruction. Based on the information received from our Weldon Families,

- We are now prepared to release the following starting dates. A schedule of instructional times will be released on our website by Friday, November 6th.
- Students will stay in their current Clovis Connect Classes until their grade level starts the new Clovis Connect or Hybrid schedule (various dates noted below).
 - During Early Release Wednesdays, all students will Zoom with their teachers
- Students not beginning their hybrid instruction until January will continue their learning at home enrolled in Clovis Connect.
- At this time, the name of the teacher that will be working with your child is not available, but that information will be released no later than the Friday, November 20th, after 5:30pm.
 - While our goal is to keep students with their current teachers, moving students to a new teacher may be required as we return to our hybrid in-person instruction.
- Hybrid Instruction for your child (if selected) will either be during the morning (AM) or afternoon (PM), with your child working asynchronously (online) while not at school.
 - Students not enrolled in the hybrid model will continue with their Clovis Connect (Zoom) or Flexible Online learning.

- **Families choosing the hybrid program will know if their child is AM or PM by Friday, 11/13/20, after 5:30pm.**
- **TK/K children will remain with their current teacher, unless unforeseen issues arise.**
- **All 1st – 6th grade students will be notified of who their teacher will be by Friday, 11/20/20, after 5:30pm.**

More information and videos regarding procedures and expectations of students returning will be released on our school website as information becomes available. It is our hope that releasing these dates now will give our families time to prepare for a smooth transition.
